—We recently noticed that Calvin Rice had taken temporary charge of the telegraph office at Coffeyville. We have since learned that he has been given charge of two lines in the office at Lawrence.

—We have received the first number of "The Academy Bulletin," published at Oakland, California. H. L. Henderson, formerly principal of our public schools, is one of the editors. The paper is started in the interest of the Golden Gate Academy.

—Mr. Winchester, of Indiana who was recently visiting friends here, and who has made the raising of fine hogs a specialty for a number of years, says the stock of hogs introduced into this county by Mr. Rober. Cook and others is as good as he ever saw.

—Professor Knox, of Baker University, will be in our city over the Sabbath, and will lecture this evening (Saturday) in the M. E. church. Subject, "An Hour Among the Birds." He will also fill the pulpit of the M. E. church Sabbath morning and evening.

—Our enterprising butchers, A. A. & L. C. Munger, continue to keep their market stocked with the choicest of fresh meats. In addition to the fat beefs they are continually butchering they have been furnishing our people with the best of pork and mutton.

—H. C. Winchester, of Johnson county, Ind., arrived in our county last Friday and spent a few days visiting friends and looking at the country. He thinks of moving to some part of Kansas, and we sincerely hope he may decide to locate in Allen county. Expressed himself well pleased with the country, but thought the indications were that the farmers here were not in the habit of working as hard as they did in the older States.

—In referring to Mr. Arnold's card last week we stated that at the time the Commissioners gave up the railroad bonds the Board consisted of Messrs. Wisner, Horville and Long, which was true; but any inference from that that Mr. Horville favored the measure would be unjust to him, as he strenuously opposed it, and we disclaim any intention of unjustly making political capital against him or any candidate on the Reform ticket.

—We have heard some criticisms on our Sheriff in regard to his collection of delinquent personal taxes, and in his behalf we would say that he has been unusually accommodating in this respect, always giving notice through both newspapers in the county when the warrants were placed in his hands by the Treasurer, informing delinquents that they could call on him and save costs. In addition to this he has also been in the habit of personally notifying delinquents by postal card.

—Peter Bell, of Woodson county, announces himself as a candidate for Judge of the 7th Judicial District for the unexpired term. Judge Talcott's appointment expires next Tuesday, at which time he will be elected for the next regular term commencing January 1876; hence there will be a few months vacancy. We are not personally acquainted with Mr. Bell, but upon receiving an introduction he presented as a recommendation a letter from Chief Justice Waite, who is good authority, and with these endorsements we commend Peter's case to the voters of the district.

CARLYLE, ALLEN CO., KANSAS, October 27th, 1875.

MR. EDITOR:—In THE REGISTER of the 23d inst., I find a card in regard to the transfer of the stock Allen county took in the L. L. & G. railroad, and the delivery of the bonds Allen county gave to aid in building the same, signed by J. L. Arnold. His statement concerning the transfer of the stock, I believe is correct, but in regard to the bonds it is very erroneous, and as I was one of County Commissioners when this business was transacted, I cannot let the statement concerning the delivery of the bonds pass undisputed. When Mr. Arnold was Commissioner, the attorney of the company, Judge Thatcher, told the board that when the company got well to work in Allen county, they would probably require the Commissioners to issue the bonds, cause them to be signed officially, and placed in the keeping of a third party outside the State of Kansas. To this no one of the board replied. When the road was graded through Allen county, the company did ask the board, (the new board) to issue the bonds, sign them and place them in the keeping of a third party outside the State of Kansas. This the board did, and placed them in the 1st National Bank, in Kansas City. There they remained not only until the road was completed through Allen county, but until it was finished to Thayer, almost the south line of Neosho county, and until the County Board, the County Treasurer, the County Clerk and James Faulkner, Esq., passed over the road and back to Iola, by request of the company's attorney, Judge Thatcher. Then, and not until then, were the bonds handed over to the company.

Z. J. WIENER.

A CARD.

I desire to say to my friends that I am not a candidate for Justice of the Peace, for the reason that I am going to move out of the county. Thanking you for the nomination, I remain

Yours for reform,

F. W. BARTLETT.

—And here is another. We copy the following letter from the Humboldt Union. It explains itself:

ALLEN CO., KAN., Oct. 15th, 1875.
Hon. C. C. Kelsey, Chairman Allen County Reform Convention.
DEAR SIR:—I have received notice that I am the nominee of the Reform Party, of this county, for the office of County Surveyor. I thank you and the Reformers of this county for the honor conferred, by the nomination, but I have two reasons why I cannot allow myself to become a candidate for that office.

FIRST.—I am not a Surveyor by education nor by profession.
SECOND.—I have no inclination to take a journey up that historic stream known as Salt River.
Hoping this may prove satisfactory, I remain,

Yours truly,

M. H. DONAHO.

TO THE VOTERS OF ALLEN CO.
Having recently learned that my name has been used on the Reform ticket for Coroner, without my knowledge or consent, I take pleasure in informing the voters of Allen county that I am not a candidate for Coroner. P. S. LIKES.

NOTICE.

I wish to say to the voters of Iola Township that my name appears in the REGISTER as the nominee of the Reform party for Township Treasurer, and it was done without my consent, and I respectfully decline the nomination. I would further say that I am in favor of the Reform move and expect to support the ticket.
